

## SENIA Conference 2021

Purpose of a [protocol](#): Protocols provide a structured process or set of guiding steps for participants to follow.

Suggested <a href="#">Protocol Ideas</a>	
<a href="#">Save the Last Word for Me</a>	The purpose of this discussion format is to give each person in the group an opportunity to have their ideas, understandings, and perspective enhanced by hearing from others.
<a href="#">Jigsaw</a>	The Jigsaw is a cooperative learning technique that allows participants to become experts in a specific area and then to share that expertise with each other so that all participants understand the entire lesson.
Concentric Circles	Also called Inside/Outside Circles. One group of individuals forms an “inside” circle, facing the second group of individuals in an “outside” circle. individuals pair off to discuss a prompt or question, then the outside circle rotates so that individuals have a new pair for the next round.
Elevator Pitch	After viewing the material, pose a reflection question and each participant has 30-45 sec. to summarize their reflections.
